

Cold War Primary Sources Analysis: The Atomic Bomb

Record your answers to the following questions:

Level 1: What is the source of the photograph? What would be the date of the photographs? Who or what is featured in each photograph? What details do you notice in the photographs?

Level 2: Students formulate questions about the photographs. What questions could they ask in an interview with the photographer(s) and the persons in the photographs?

Level 3: What do the photos tell you about the time period? What happened to produce what you can observe in the photographs? What are possible results of the event the photographs recall? What is the possible impact on public perception or opinion, governments' response(s) and what policy or policies would result?
